Listening Prayer—part two

From the President:

In Luke 11 Jesus' disciples return to report about what they saw God do from city to city. This is when Jesus says the famous words, “I saw Satan fall like lightening from heaven” (Luke 11:17ff). There are powerful results when we hear from brothers and sisters in Christ who minister in other regions or even countries.

One powerful result is that we can celebrate together for what God has done. We can also receive confirmation in our own work. In addition, testimonies from co-laborers can bring greater clarification to our assignment. Finally, these three results under the direction of the Holy Spirit can bring an acceleration to the kingdom advancing in our cities.

I believe these are the results God has waiting for us in the October LCAE luncheon. Bernard Millard from Chemnitz Germany is not coming to cast some theories about untested methods but to share powerful examples of God moving. Please join us!

Randy Scheil: *“If you and/or your leaders are facing difficult times, Pastor Millard will encourage you and them to persevere in ministry!”*

From Pastor Randy Scheil—Stonebridge Church

Pastor Millard has blazed new ground for the gospel in this very hardened area of the world. In Germany, less than 1% are Christians so there are very few churches. However, Pastor Bernard has gathered all the pastors and Christian leaders in the area for city building and the Lord is doing amazing things there.

The Berlin Wall was erected in the night of August 13, 1961. Martin Kolczyk woke up to a new Berlin, a divided Berlin. In 1989 the wall came down. A little known fact—many Christians were involved in demonstrations that helped bring the wall down.

In Chemnitz there was very little vitality in Christianity. Randy Scheil visited Pastor Millard in October of 2006 and saw first hand the difficulties that were facing Christians in Chemnitz. Randy visited again in April of 2010 and found a marked difference. Pastor Millard had reached out to other Pastors in the area, across denominational lines, and they had linked up in Prayer Rings. As they prayed over a four year period they saw 20 satanic groups holding witch fires steadily drop until they were non-existent. They are constantly encountering Neo-Nazism, atheism and other ‘isms.’

Through prayer, they have experienced growth and favor with God and man! They hosted a pro-Christ event associated with the Billy Graham Association that was broadcast all over Europe. In August they rented a former Nazi church building to hold a city-wide prayer event. These are just two examples of what Pastor Bernard will be speaking about.

I am certain he will be a great blessing to our area pastors and leaders. These German evangelicals have survived the Nazi’s and Communism. They have much to teach us about working together and perseverance for Kingdom purposes! He is a pioneer in building city wide partnerships in the former Communist “Karl Marx City.” They call it the “prayer ring.”
